Transitional rules

Students admitted prior to 1 September 2018, and who have completed either the course in Business Management and Leadership or the course in Business Studies, must take the course 'Business Studies and Management & Leadership Processes' and be examined under the curriculum of 1 September 2017. This means that the student will be examined in the course that has not previously been passed (Business Studies or Business Management and Leadership).

Students admitted before 1 September 2019 and who have completed either the course 'Innovation management' (5 ECTS) or 'Theme seminar - Organisation of complex and inter-organisational innovation processes' (5 ECTS) must participate in the newly created course 'Innovation management' of 10 ECTS, but they must take their examination based on the study regulation of 1 September 2018. This means that the student is examined in the course that has not previously been passed (either Innovation management of 5 ECTS or Theme seminar - Organisation of complex and inter-organisational innovation processes of 5 ECTS).
