requested an individual exam. All other oral master thesis exams are conducted as group exams.  The oral exam will be based on the master thesis. The students begin the exam with a short presentation (5 min per student), followed by a dialogue between the student, examiner and external examiner. There may be posed questions related to the subject area(s) that the master thesis covers.  The assessment is individual and based on the student's individual performance.	examination	The master thesis can be written individually or in a group. Permitted group size: 2-3 students.  The oral exam is individual for students that have written the thesis alone or students that have requested an individual exam. All other oral master thesis exams are conducted as group exams.  The oral exam will be based on the master thesis. The students begin the exam with a short presentation (5 min per student), followed by a dialogue between the student, examiner and external examiner. There may be posed questions related to the subject area(s) that the master thesis covers.

The assessment is an assessment of the master thesis and the oral performance.

The character limits of the master thesis are:

For 1 student: 86,400-132,000 characters, including spaces. For 2 students: 115,200-163,200 characters, including spaces. For 3 students: 120,000-168,000 characters, including spaces.

The character limits include the cover, table of contents, summary, bibliography, figures and other illustrations, but exclude any appendices.

The master thesis must include a summary.

The summary can either be written in English or Danish. The summary is included in the overall assessment.

Time allowed for exam including time used for assessment for:

1 student: 30 minutes. 2 students: 60 minutes. 3 students: 75 minutes.

Writing and spelling skills in the thesis are part of the assessment.

Permitted support and preparation materials at the oral exam: All.

Assessment: 7-point grading scale. Moderation: External examiner.

Form of Reexamination (p1)

Samme som ordinær eksamen

Exam code(s)

Exam code(s): U41361
