Project-oriented Internship in Computer Science

Title	Project-oriented Internship in Computer Science
Semester	E2023
Master programme in	Computer Science
Type of activity	Project
Teaching language	English
Study regulation	Read about the Master Programme and find the Study Regulations at ruc.dk

REGISTRATION AND STUDY ADMINISTRATIVE

Registration	Please be aware of the approval requirements for a project-oriented internship. You can read more about the approval process here
Number of participants	
ECTS	15
Responsible for the activity	Henrik Bulskov (bulskov@ruc.dk)
Head of study	Henrik Bulskov (bulskov@ruc.dk)
Teachers	
Study administration	IMT Registration & Exams (imt-exams@ruc.dk)
Exam code(s)	U60064

ACADEMIC CONTENT

Overall objective	Completing an internship at an academically relevant workplace for the purposes of gaining first-hand knowledge of typical work tasks and more experience with the connection between professional practice and the programme's academic content.
Detailed description of content	Total workload of 412 hours.
Course material and Reading list	

Overall plan and expected work effort	
Format	
Evaluation and feedback	The internship will be survey evaluated by the IMT department.
Programme	Negotiated with internship and supervisor

ASSESSMENT

Overall learning outcomes	After completing this course, students will be able to: • demonstrate knowledge and understanding of theories and methods in a selected computer science subject area and how they are used in practice. • apply and evaluate the subject's theories and methods to solve concrete computer science tasks in practice. • reflect upon the professional competences needed to participate in solving concrete computer science research questions in practice. • reflect upon one's own learning process and how the acquired knowledge and understanding, skills and competences can be used to work on the internship project's research questions.
Form of examination	Oral exam based on project oriented internship report The character limit of the internship report is: maximum 48,000 characters, including spaces. The character limits include the cover, table of contents, bibliography, figures and other illustrations, but exclude any appendices. Time allowed for exam including time used for assessment: 30 minutes. The assessment is an assessment of the report and the oral performance. Writing and spelling skills in the report are part of the assessment. Permitted support and preparation materials for the oral exam: All. Assessment: 7-point grading scale. Moderation: Internal co-assessor.
Form of Re-examination	Samme som ordinær eksamen / same form as ordinary exam
Type of examination in special cases	
Examination and assessment criteria	The exam will be based on an internship report. In the assessment of the examination, emphasis will be placed on the learning outcomes.
Exam code(s)	Exam code(s) : U60064

Course days:

Hold: 1

Project-oriented Internship - Hand-in (COMP)

time	19-12-2023 10:00 til 19-12-2023 10:00
forberedelsesnorm	ikke valgt
forberedelsesnorm D-VIP	ikke valgt

Project-oriented Internship - Oral examination period COMP)

time	15-01-2024 08:15 til 31-01-2024 18:00
forberedelsesnorm	ikke valgt
forberedelsesnorm D-VIP	ikke valgt

Project-oriented Internship - Oral reexamination period COMP)

time	01-02-2024 08:15 til 29-02-2024 18:00
forberedelsesnorm	ikke valgt
forberedelsesnorm D-VIP	ikke valgt
