ACADEMIC CONTENT

Overall objective	<p>The workshop module Project Management and Evaluation trains students to manage and evaluate projects in public and private organisations. It introduces students to the techniques used in planning, managing and evaluating a process of achieving project goals within given constraints. It facilitates the application of these techniques in practical exercises.</p>
Detailed description of content	<p>The teaching includes a mix of lectures with interactive discussions, in-class exercise-based group work, and group-based peer review workshops. Throughout the course, students will work towards completing their final group portfolio. There is also the possibility of additional guest lectures and presentations of project management by relevant development practitioners working in NGOs, and the private and public sector.</p>
Course material and Reading list	<p>Recommended academic knowledge: basic or broad knowledge of global and development studies, and elements of the project planning cycle.</p> <p>Course literature and examples of project management tools will be available on Moodle.</p>
Overall plan and expected work effort	<p>The course is worth 5 ECTS which corresponds to 135 hours, so please adjust your workload accordingly. Students are expected to attend class, prepare by reading 2-3 compulsory academic texts for each session and to develop their portfolios, as well as actively contribute to group work. Students are also expected to regularly check Moodle and stay updated with changes and information.</p> <p>Estimation of hours:</p> <p>Class attendance: 20 hours</p> <p>Preparation and portfolio: 115 hours</p>
Format	<p>Campus</p>
Evaluation and feedback	<p>The activity are evaluated regularly regarding the study board evaluation procedure. The activity responsible will be orientated about a potential evaluation of the activity at semesterstart. Se link to the study board</p>
